I understand. Can you put in approximate new planned dates until the schedule is flushed out? At least for the milestones where the dates have past.

Thanks.

Hi Darryl,

We are waiting for OGC to concur. OAR won't give the ANPR to Janet McCabe until we have OGC concurrence. Elliott Zenick is reviewing the rule today.

Thanks,

Jody

Hi Deirdre,

Can you update the milestone dates for Federal Implementation Plan for Oil and Natural Gas Production Facilities on the Uintah and Ouray Indian Reservation in Utah rule, especially OMB review for the NPRM? If you need help, just let me know. Thanks. Let me know when it's

updated if you would.

Darryl
